6 SUN TRIPS AT YOUR FINGERTIPS

The best late-summer sun deals to book today at Redonline.co.uk

1 MELENOS LINDOS, RHODES, GREECE

Daily highs in October: 24°C

Rhodes is one of the warmest spots in the Med in October, with temperatures still hovering in the mid-20s. Tucked away in a bay on the eastern side of the island, days at Melenos Lindos can be whiled away exploring the nearby Acropolis and (car-free) village, sauntering down to the beach, or just lounging on one of the sun terraces. *Price from £162 per night.*

2 SILOS ARTE Y RELAX, TARIFA, SPAIN

Daily highs in October: 21°C

This tiny Tarifa bolthole is made up of just two suites, a sun-soaked rooftop garden (with dipping pool) and an on-site art gallery, clustered around a lovely patio. While there'll almost invariably be sunshine in October, Tarifa can get a bit windy. But that's more than made up for by the great windsurfing and kite-boarding that the miles of surrounding beaches offer. *Price from £160 per night.*

3 LES ROSEES, COTE D'AZUR, SOUTH OF FRANCE

Daily highs in October: 21°C

Autumn is the perfect time to hit the Côte d'Azur, as the crowds of summer have died down, yet the temperatures haven't. Just a few miles inland from Cannes, Les Rosées is a beautiful boutique b&b of four atmospheric suites swathed in lovely rambling gardens. *Price from £145.*

4 VILLA FONTELUNGA, TUSCANY, ITALY

Daily highs in October: 22°C

Villa Fontelunga is a stylish mix of classic Tuscan manor house chic and modern design elements, courtesy of a smattering of pieces from the likes of Philippe Starck and Arne Jacobsen. In October, the nearby designer outlet stores are quieter, while the leaves of the Arezzo region are just beginning to turn. Beautiful. *Price from £165.*

5 ESPLENDIDO, PUERTO SOLLER, MALLORCA

Daily highs in October: 21°C

It may have been a few years since its much-vaunted reopening, but Espléndido is still, well, splendid. Most of the rooms have terraces and gorgeous views across the bay, and with plenty of family-friendly facilities, including a private beach (with toys), it's a good bet for half-term. *Price from £140.*

6 DAR LES CIGOGNES, MARRAKECH, MOROCCO

Daily highs in October: 28°C

After the searing heat of August and September in Marrakech, hitting the souks in the (relative) cool of October can be quite a relief. Afterwards, the plant-filled rooftop of designer riad Dar Les Cigognes is the perfect spot to catch a few rays before heading back to the UK. *Price from £160. Book a stay arriving on a Monday at Redonline.co.uk, and get three nights for the price of two.* ■
